

	DATA PRIVACY NOTICE	Code GCAL-FR-005	Revision Number: 02
		Date of Approval: 08-04-2020	PAGES: 1 de 1

Mudanzas Internacionales Global C.A. understands that personal data gathered is property of their owners and only they can determine its use. By doing so, **Mudanzas Internacionales Global C.A.** uses such data solely for the purposes for which it is duly authorized, while complying with the regulations for protection of personal data in force.

Mudanzas Internacionales Global C.A. is responsible for the use and protection of personal data supplied by clients and providers. Therefore, in accordance with the requirements of the **FIDI FAIM** standard regarding the protection of personal data, through this instrument the owners of the data are informed that their information is collected only to provide the services requested and to complete the legal and/or regulatory requirements necessary to carry out the activities binding the service. Personal data will not be shared with any authority, company, organization or person outside the nature of our services, and will be used only for the purposes stated.

The owner has the right to know what personal data Mudanzas Internacionales Global C.A. holds, what we use it for and the conditions of its use. The owner of the data has the right to access his/her information, portability of his data and request its correction in case it is outdated, incomplete or inaccurate. The owner of the data has the right to request the removal of his information from our records when he considers that it is not being properly used.

Mudanzas Internacionales Global C.A. will also have a way of direct communication through the receiving channels by which the owners can establish communication with the company, present requests as well as requirements, and obtain a proper reply.
